

The Government

has requested that we make a special effort to have all farmers and housekeepers preserve ampe eggs for use during the period of high prices in the late fall and early winter by using water glass to preserve eggs.

It has also requested us to call all farmers' attention to Sodium Floride to destroy lice on poultry. This has proven more effective than the so-called lice powders.

We will have these items in stock. Come in and talk this matter over with us.

THE MAKING OF A FAMOUS MEDICINE

How Lydia E. Pinkham's Vegetable Compound is Prepared For Woman's Use.

A visit to the laboratory where this successful remedy is made impresses even the casual looker-on with the reliability, accuracy, skill and cleanliness which attends the making of this great medicine for woman's ills.

Over 350,000 pounds of various herbs are used annually and all have to be gathered at the season of the year when their natural juices and medicinal substances are at their best.

The most successful solvents are used to extract the medicinal properties from these herbs.

Every utensil and tank that comes in contact with the medicine is sterilized and as a final precaution in cleanliness the medicine is pasteurized and sealed in sterile bottles.

It is the wonderful combination of roots and herbs, together with the skill and care used in its preparation which has made this famous medicine so successful in the treatment of female ills.

The letters from women who have been restored to health by the use of Lydia E. Pinkham's Vegetable Compound which we are continually publishing attest to its virtue.

She is now with relatives in Memphis and will be here for the opening of the school in the fall.

There is more Catarrh in this section of the country than all other diseases put together, and for years it was supposed to be incurable. Doctor prescribed local remedies, and by constantly failing to cure with local treatment, pronounced it incurable. Catarrh is a local disease, greatly influenced by constitutional conditions and therefore requires constitutional treatment. Hall's Catarrh Medicine, manufactured by F. J. Cheney & Co., Toledo, Ohio, is a constitutional remedy, is taken internally and acts thru the blood on the Mucous Surfaces of the System. One Hundred Dollars reward is offered for any case that Hall's Catarrh Medicine fails to cure. Send for circulars and testimonials.

The Gabeshiwin Camp Fire Girls are enjoying a camp at Joyner's Camp Ground this week. Twenty girls, with their guardian, Mrs. C. A. Harper left Somerville at five o'clock Tuesday morning and hiked to the Camp Ground, walking the distance in three hours. This is the first time they have left Somerville on a camp, altho they have enjoyed several hikes. Mrs. Harper organized the Gabeshiwin Camp last

March with twelve charter members, which has now increased to twenty. The girls expect to derive much benefit both spiritually and physically, from the organization and the lessons taught in patriotism, loyalty, obedience etc. are valuable.

Judge Roberts is the 'undoubted choice of a majority of the people for governor, and we say this without any purpose to disparage the character or worth of the other two candidates. The people of the State have somehow made up their minds that Judge Roberts is the man, and the holding of a (primary at a cost of \$250,000 to enable Mr. Peay and Mr. Shropshire to find out that fact, would be so costly a piece of folly that it is inconceivable that either of these gentlemen should consent to it. They should, they must, find a way to settle the issue between them without the formality of this senseless and costly primary—the welfare of the State and the effective prosecution of the Nation's war aims requiring it. Let's carry out the President's request and "adjourn politics" until after the war.—Chattanooga Times—adv. 1t

The Doctor Away from Home When Most Needed.

People are often disappointed to find that their family physician is away from home when they most need his services. Diseases like pain in the stomach and bowels, colic and diarrhoea require prompt treatment, and have in many instances proven fatal before medicine could be procured or a physician summoned. The right way is to keep at hand a bottle of Chamberlain's Colic and Diarrhoea Remedy. No physician can prescribe a better medicine for these diseases. By having it in the house you escape much pain and suffering and all risk. Buy it now; it may save life. adv 7-1

Do you believe in signs?

HERE is one you can bank on—the sign of a company that has stood between the country and its fire losses for over a century.

It is also the sign of a live agency—one that specializes on insurance—one that is watchful of your interests as well as the interests of the companies it represents.

When you see this sign, think of protection. Think also of agency service. You can safely rely upon our care in looking after your property and in securing prompt and fair settlements in case of loss.

TRY IT! SUBSTITUTE FOR NASTY CALOMEL

Starts your liver without making you sick and can not salivate.

Every druggist in town—your druggist and everybody's druggist has noticed a great falling-off in the sale of calomel. They all give the same reason. Dodson's Liver Tone is taking its place.

"Calomel is dangerous and people know it, while Dodson's Liver Tone is perfectly safe and gives better results," said a prominent local druggist. Dodson's Liver Tone is personally guaranteed by every druggist who sells it. A large bottle costs 60 cents, and it falls to give easy relief in every case of liver sluggishness and constipation, you have only to ask for your money back.

Dodson's Liver Tone is a pleasant-tasting, purely vegetable remedy, harmless to both children and adults. Take a spoonful at night and wake up feeling fine; no biliousness, sick headache, acid stomach or constipated bowels. It doesn't gripe or cause inconvenience all the next day like violent calomel. Take a dose of calomel today and tomorrow you will feel weak, sick and nauseated. Don't lose a day's work! Take Dodson's Liver Tone instead and feel fine, full of vigor and ambition.
